WIPO | HAGUE
The International Design System

IMPORTANT

We strongly recommend that you file your international application online using **eHague**.

Warning: When using form DM/1, an extra publication fee of 150 Swiss francs applies per additional page of reproductions.

If using this form:

1. All fields are **mandatory** unless indicated otherwise.
2. Complete this form electronically; WIPO does not accept handwritten forms.
3. Avoid printing and scanning this form. Upload the completed and signed form directly to WIPO through **Contact Hague**.
4. One international application may contain **up to 100 designs** in the same class of the **Locarno Classification**.
5. **Reproductions** must be prepared according to **standard requirements**.
6. **Security clearance** is required by certain domestic laws:
   - designs created in the **Russian Federation or Uzbekistan,** by **domestic legal entities or nationals,** are subject to a security clearance procedure by the **national Office** to ensure that they do not contain state secrets; and
   - for designs created in the **United States of America**, the applicant must obtain a license from the **national Office** before filing outside of the United States of America.
7. Use the **Hague System Fee Calculator** to calculate the cost of your international application or consult **Hague System Fees and Payments**.
8. For more information on Contracting Parties and their Offices, refer to **Hague System Member Profiles**. For more information on the completion of this form, refer to the **Guide to the Hague System**.

8. Product Indication

Indicate for each design the product which constitutes the design or in relation to which the design is to be used.

Special note: Products belonging to **class 32 of the Locarno Classification** are not eligible for protection under the national laws of **Canada, China (only 32-01 is excluded), Israel, Mexico** and the **Republic of Korea** (protection would be refused by their respective Offices).

Locarno Class to which the design(s) belong(s) *(optional):*

No. of the design *(in numerical order)*	**Total number of reproductions**	**Product(s)**	**Subclass** *(optional)*

☐ If the space provided is not sufficient, check this box and use a **continuation sheet**.

9. Description *(if applicable)*

General note: Only describe the **characteristic features** of the designs that appear in the reproductions. Matter shown in a reproduction for which protection is not sought (disclaimer) must also be indicated here. The description can disclose the operation or possible use of the design so long as it is not technical. The description can indicate that some or all of the designs constitute a set of designs. Furthermore, omission of a specific view may be indicated. If the description exceeds 100 words, an additional fee of two Swiss francs per word exceeding 100 applies.

Special note for some Contracting Parties: If designating **China (see below), Romania** or **Viet Nam**, you must include a brief description of the characteristic features of the design.

If a description or part of it is intended specifically for the designation of **China**, it is recommended to begin it with "For China". The Office of China recommends the following wording: "The characteristic features of the design lie in the shape.", "The characteristic features of the design lie in a combination of shape and pattern." or "The characteristic features of the design lie in a combination of shape, pattern and color." Additional options are available in the **Hague System Member Profiles.**

If designating the **Russian Federation**, including a brief description of the characteristic features of the design is optional, but recommended by the Office.

Consult the **Hague System Member Profiles** database for more information on these Contracting Parties.

☐ If the space provided is not sufficient, check this box and use a **continuation sheet**.

10. Legends *(optional)*

Recommended, especially when designating **China, Japan** and/or the **United States of America**. For more information, refer to **Guidance on Reproductions**.

Associate the number in the margin of the reproduction with the corresponding code:

1 Perspective	3 Back	5 Bottom	7 Right	9 Unfolded	11 Cross-Sectional
2 Front	4 Top	6 Left	8 Reference	10 Exploded	12 Enlarged

00 Other *(limited to 50 characters)*

No. (e.g. 1.1)	Code (e.g. 2)	Legend (indicate only when code 00 is selected)	No. (e.g. 1.1)	Code (e.g. 2)	Legend (indicate only when code 00 is selected)

☐ If the space provided is not sufficient, check this box and use a **continuation sheet**.

11. Identity of the Creator *(if applicable)*

If **Brazil, Finland, Ghana, Hungary, Iceland, Mauritius, Mexico, Romania** and/or the **United States of America** are designated in item 7, you must indicate the identity of the creator. In respect of the designation of Brazil, Finland, Ghana, Hungary, Iceland, Mauritius and/or Mexico, the person indicated in item 11 declares to be the creator of the design. Where the person identified as the creator is a person other than the applicant, it is hereby stated that the present international application has been assigned by the creator to the applicant. If the **United States of America** is designated in item 7, you must also submit an oath or declaration of inventorship using Annex I. If **Bulgaria, China, Japan, the Republic of Korea, the Russian Federation, Serbia, Tajikistan** and/or **Türkiye** are designated in item 7, it is strongly recommended that you indicate the identity of the creator (refer to the **Guide to the Hague System, "Identity of the creator"**).

No. of the design (in numerical order)	**Creator(s)**
Leave blank if the identity of the creator relates to all designs.	**Creator 1** Family (last) name, given (first) name Address (e.g. street, house number, postal code) City Region/state *(optional)* Country

☐ If the space provided is not sufficient, check this box and use a **continuation sheet**.

12. Claim *(if applicable)*

Applicable only when designating the **United States of America**.

United States of America:

The ornamental design for [ ] as shown and described.

Indicate the article in which the design is embodied in or applied to. If multiple designs for the same article are contained in this international application, the article should be written in singular form.

13. Priority Claim *(if applicable)*

Indicate the number of each design for which priority is claimed. If no design is indicated, then the priority claim will relate to all designs included in this application.

Brazil, China, Japan, Mexico, the Republic of Korea, the Russian Federation, Türkiye and **the United States of America** require submission of priority documents directly to their Offices. For more information, refer to the **Guide to the Hague System**, **International Application – Item 13**.

Office or country of earlier filing	No. of earlier filing *(if available)*	Date of earlier filing	DAS code *(if available)*	No. of the design	Annex V provided
		Day/month/year	Refer to **Guide to the Hague System, WIPO Digital Access Service – Item 13**	in numerical order (e.g. design 1, design 2)	Only if **China**, **Japan** or the **Republic of Korea** is designated
					☐ Yes
					☐ Yes
					☐ Yes

By providing this information, the applicant claims the priority of the earlier filing(s) indicated above.

☐ If the space provided is not sufficient, check this box and use a **continuation sheet**.

14. International Exhibition *(if applicable)*

You may benefit from temporary protection for designs exhibited at an international exhibition under Article 11 of the Paris Convention (for more information, refer to the **Database on Temporary Protection for Designs Shown at International Exhibitions**). By providing this information, the applicant claims that one or more designs were shown at an official, or officially recognized, international exhibition.

Place where the exhibition was held: [ ]

Name of the exhibition: [ ]

Date on which products were first exhibited: [ ]

Day/month/year

No. of the design: [ ]

Indicate the number of each design shown at the exhibition in numerical order. If no design is indicated, it is understood that all designs were shown.

☐ If the space provided is not sufficient, check this box and use a **continuation sheet**.

15. Exception to Lack of Novelty *(if applicable)*

If designating **China, Japan** and/or the **Republic of Korea**, you may benefit from an exception to lack of novelty due to prior disclosure. For more information, refer to the **Guide to the Hague System, International Application – Item 15**.

(a) Contracting Party(ies) concerned: ☐ **China** ☐ **Japan** ☐ **Republic of Korea**

(b) The applicant claims to benefit from exceptional treatment provided for in the design law of the Contracting Parties concerned, for the following designs contained in the present application.

◯ **all** designs, or

◯ **the following** designs (e.g. design 1, design 2):

You must submit supporting documentation via Annex II (see check box below) or directly to the Office concerned.

☐ Check this box if Annex II is attached.

16. Related Designs/Variants and Main/Principal Design *(if applicable)*

If designating **China, Japan,** the **Republic of Korea** and/or **Viet Nam**, WIPO strongly recommends to refer to the **Guide to the Hague System, International Application – Item 16**.

China: main design

If designating **China**, you may include a maximum of 10 similar designs for the same product in the international application. If more than one design is included, you **must** indicate one of them as the **main design**.

The applicant indicates the following design as the **main design** (e.g. design 1):

Japan and/or the Republic of Korea: principal and related designs

If designating **Japan** and/or the **Republic of Korea**, designs contained in the present international application may be registered as related to a principal design (related designs).

(a) Contracting Party(ies) concerned: ☐ **Japan** ☐ **Republic of Korea**

(b) Information concerning the **principal design** to which the designs indicated under item (c) are related (Note: The principal design must be the subject of an application or a registration with the Office of the Contracting Party concerned):

(i) The **principal design** is the subject of:

☐ the present international application

☐ a prior international application designating Japan and/or the Republic of Korea

WIPO Reference Number (e.g.123456789, WIPO12345)

☐ a prior international registration designating Japan and/or the Republic of Korea

International Registration Number

☐ a prior national application filed with the Office of Japan and/or the Republic of Korea

Application Number/Applicant's reference

☐ a prior national registration at the Office of Japan and/or the Republic of Korea

National registration Number

(ii) If the above national or international application or registration contains several designs, indicate **the number of the design to be considered as the principal design**:

(c) The applicant requests that the following designs contained in the present application be registered as **related designs**:

◯ **all** designs, or

◯ **the following** designs (e.g. design 1, design 2):

Viet Nam: principal design and variants

If designating **Viet Nam**, designs contained in the present international application may be registered as variants of a principal design also contained in the present international application. The Office will consider designs that are not indicated below (and not indicated elsewhere to constitute a set) as different designs.

(a) The applicant indicates the following design as the **principal design** (e.g., design 1):

(b) The applicant requests that the following designs be registered as **variants** (e.g. design 2, design 3):

☐ If the space provided is not sufficient, check this box and use a **continuation sheet**.

17. Publication of the International Registration *(optional)*

Publication will take place **12 months** after the date of the international registration, unless the applicant selects one of the options below:

☐ immediate publication (upon recording of the international registration)

☐ publication at a chosen time: ____ months from the filing date.

Important: International registrations must be published within **30 months** of the filing date or, where priority is claimed, of the priority date.

- If you designate Belarus, Belize, Benelux, Brazil, Brunei Darussalam, Cambodia, Croatia, Denmark, Estonia, EAPO, Finland, Greece, Hungary, Iceland, Israel, Jamaica, Mexico, Monaco, Norway, OAPI, Poland, the Russian Federation, Samoa, Saudi Arabia, Slovenia, Suriname, Syrian Arab Republic, Ukraine, United Kingdom, the United States of America, Uzbekistan or Viet Nam, the chosen time cannot exceed **12 months**.
- If Lao People's Democratic Republic is designated, the chosen time cannot exceed **18 months** from the filing date, or where priority is claimed, from the priority date.
- If Singapore is designated, the chosen time cannot exceed **18 months** from the filing date.

18. Reduction of the Individual Designation Fee *(if applicable)*
