REQUEST FOR THE RECORDING OF A CHANGE IN OWNERSHIP

IMPORTANT

1. You may use this form to request the recording of a change in ownership for **multiple** international registrations in the name of the **same holder(s)**, provided that all registrations are the subject of a **total** change in ownership. If you wish to request a **partial** change in ownership, you can only indicate one international registration per form.

2. If this request concerns **the African Intellectual Property Organization (OAPI), Brazil, China, Denmark, the Eurasian Patent Organization (EAPO), Jamaica, Mexico, the Republic of Korea, the Russian Federation, Saudi Arabia, the United States of America and/or Uzbekistan,** you must send all required documents as stipulated in their individual declarations directly to the relevant Office(s) in order for the recording of a change in ownership to take effect in these Contracting Parties.

3. The recording of a **partial change** in ownership is not possible under certain national/ regional laws:
   - under certain jurisdictions, a set of designs is viewed as a single design so legal protection is granted to the set as a whole;
   - where the law provides for a “similar design” or a “related design” system, you must transfer all designs together.

4. A change in ownership may be refused by individual designated Contracting Parties if the request does not comply with their specific domestic legal requirements (Rule 21*bis*(1) of the **Regulations**).

5. For more information on the domestic requirements and procedures of Contracting Parties, refer to **Hague System Member Profiles**.

6. All fields are **mandatory,** unless indicated otherwise.

7. Complete this form electronically; WIPO does not accept handwritten forms.

8. Avoid printing and scanning this form. Upload the completed and signed form directly to WIPO through **Contact Hague**.

9. For more information on the request for the recording of a change in ownership, refer to the **Guide to the Hague System**.
