RENEWAL OF THE INTERNATIONAL REGISTRATION

IMPORTANT

We strongly recommend that you renew your international registration through **eHague**.

If using form DM/4:

1. You can renew only **one** international registration **per form**.
2. Special note on the designation of the **United States of America (US)**: US national law provides for a single 15-year term of protection, counted from the date of grant of protection. If you wish to continue to benefit from centralized management of your international registration including the US, you must renew the designation of the US. While there is no renewal designation fee for the US, the basic fee applies.
3. Use the **Hague System Fee Calculator** to calculate the cost of renewing your international registration or consult **Hague System Fees and Payments**.
4. All fields are **mandatory** unless indicated otherwise.
5. Complete this form electronically; WIPO does not accept handwritten forms.
6. Avoid printing and scanning this form. Upload the completed and signed form directly to WIPO through **Contact Hague**.
7. For more information on the renewal of an international registration, refer to the **Guide to the Hague System**.
