Disclaimer:

The information provided in response to this questionnaire is understood to be submitted on behalf of the Member State or regional organization concerned, through its competent authority and in accordance with its applicable official internal procedures.
It is assumed that the person completing and submitting the questionnaire is duly authorized to do so and that the information reflects the official position or practice of the Member State or organization, to the extent possible.

I confirm that I have read and understood the statement above and that I agree with its contents.

i) Study on the determination of inventorship and conditions of foreign filing, with a view to identifying potential challenges for innovators in the cross-border collaborative environment

1. Which of the following does the applicable legal framework in your jurisdiction require before a patent application can be filed in another country or at a regional patent organization?

'First filing' or first domestic filing requirement (FDFR)

2. Please list the statutes or guidance documents that patent applicants in your country can consult to inform themselves of the foreign filing requirements and the procedure to follow.

Article 58 of the Law of the Republic of Armenia on Patents

4. What specific criteria will trigger the Foreign Filing Conditionality?

The place of invention;

5. Does your law allow for a deemed license or automatic approval, if the Office does not act or respond within a specific time period?

Yes

What is that period?

Three months

6. Does your jurisdiction's patent law provide for the imposition of a "Secrecy Order" (or other similar national security restrictions) that prohibits or restricts an applicant from filing for patent protection in other jurisdictions?

No

Final review before submission
