Disclaimer:

The information provided in response to this questionnaire is understood to be submitted on behalf of the Member State or regional organization concerned, through its competent authority and in accordance with its applicable official internal procedures.
It is assumed that the person completing and submitting the questionnaire is duly authorized to do so and that the information reflects the official position or practice of the Member State or organization, to the extent possible.

I confirm that I have read and understood the statement above and that I agree with its contents.

i) Study on the determination of inventorship and conditions of foreign filing, with a view to identifying potential challenges for innovators in the cross-border collaborative environment

1. Which of the following does the applicable legal framework in your jurisdiction require before a patent application can be filed in another country or at a regional patent organization?

Any other mandatory authorization (Please specify): A permit of the Ministry of Defence shall be obtained for filing in a foreign state a patent application containing an invention relating to national defence, which is classified in Estonia

2. Please list the statutes or guidance documents that patent applicants in your country can consult to inform themselves of the foreign filing requirements and the procedure to follow.

Patents Act (§ 59, Procedure for patenting inventions)

4. What specific criteria will trigger the Foreign Filing Conditionality?

Impact on the country's national security or national defense;

Please provide any further details on the scope of the specific criteria applicable in your jurisdiction.

If a patent application contains an invention related to national defense and is classified in Estonia

5. Does your law allow for a deemed license or automatic approval, if the Office does not act or respond within a specific time period?

No

6. Does your jurisdiction's patent law provide for the imposition of a "Secrecy Order" (or other similar national security restrictions) that prohibits or restricts an applicant from filing for patent protection in other jurisdictions?

Yes

What is the nature/impact of this restriction regarding foreign filing?

A permit of the Ministry of Defence shall be obtained for filing in a foreign state a patent application containing an invention relating to national defence, which is classified in Estonia

Final review before submission
